**Note to Physicians:** If the athlete has Down syndrome, Special Olympics Texas requires that the athlete have a full radiological examination establishing the absence of Atlantoaxial Instability before he/she may participate in sports or events which, by their nature, may result in hyperextension, radial flexion or direct pressure on the neck or upper spine. The sports and events for which such a radiological examination is required are: equestrian, gymnastics, diving, pentathlon, butterfly stroke, and diving starts in aquatics, high jump, flag football and soccer and warm-up exercises placing undue stress on head or neck.

No physician-patient relationship is to arise out of the examination. The doctor, nurse or other person involved in the examination is under no obligation to provide a diagnosis, treatment, advice, consultation or any follow-up care whatsoever under any circumstances. The fact that any person is cleared or authorized to participate in any sport or other activity does not mean and is not to be interpreted as the opinion of the doctor or nurse that the person examined is healthy, in need of no care, or can participate in any sport or other activity without serious medical risks. Any claim against the doctor, nurse or other person involved in the examination will be submitted to binding arbitration pursuant to the rules and procedures of the American Arbitration Association. The person examined and any person who signs on his or her behalf promises to indemnify the doctor or nurse from any and all damages, claims, or losses, including injury or death that allegedly arise out of or are in any way related to the examination.

**Participation:** I hereby give my permission for the participant named above to participate in any Special Olympics activity or event of any kind. **Disclaimer:** On behalf of the athlete and myself, I acknowledge that the athlete will be using facilities at his/her own risk and I, on my own behalf, hereby release the physicians, organizers, officers, directors, agents or employees of Special Olympics Texas from any claim for damage or suit by reason of any injury, illness, or damage whatsoever to person or property of myself or the athlete.

**Hospitalization:** If I am not personally present at the event in which the athlete is to compete so as to be consulted in case of emergency, you are authorized on my behalf and at my account to take such measure and arrange for such medical and hospital treatment as you may deem advisable for the health and well-being of the athlete.

**Media:** In permitting the athlete to participate, I am specifically granting permission to you to use the name, likeness, voice and words of the athlete in television, radio, films, newspapers, magazines, web pages and other media, and in any form not heretofore described for the purpose of advertising or communicating the purposes and activities of Special Olympics Texas and in appealing for funds to support such activities.
